

Troy Story Production

- Bachelor Costume requests

At this stage, a week before we go onstage, all of the costumes have been made or modified and matched to each child in the production. However, there are a couple of items we still need to source.

Our Gymnasts and Cyclists need....

- black shorts or black bike pants - short length - above the knee
- black long sleeved tops (skivvies, long sleeved T-shirts or even polyprops will do.)

Please if you have any of these items that you are happy for us to lend out to our Bachelor children, can you send them along to Mrs East or Mrs Le Sueur. Please don't go out and buy these items if you don't have them. We hope we can rely on borrowed items.

Please name them - or we will when they come to us. Send them along asap.

Thanks very much
Jennie Le Sueur
